
The Spa at Reflections

Let the staff at Reflections pamper you with a relaxing spa treatment customized especially for you.

Whirlpool Spa

Enjoy complete relaxation in the soothing warmth of our very own whirlpool tub. After you have soaked away the tension the helpful staff will wrap you in warm towel. Slide into a cozy robe and continue your spa experience with a light message.

Mini-Pedicure

Continue your massage right down to your toes with a gentle message. For the ladies, let us apply the perfect polish.

Aromatherapy

Make your spa experience complete by enjoying the calming scents of essential oils including, jasmine, orange, or mint.

Tranquil Sounds

In order to make your appointment complete we have included all the senses. Enjoy the sounds of nature, gentle music or simply relax in peaceful silence. If you prefer, bring your favorite book and have it read to you. We want to make your time truly special.

Contact the friendly staff at Reflections to schedule your appointment today. We look forward to spending time with you.
